

To: *Mr. Rene Baechli*

Muzzano, 4<sup>th</sup> of February 2016

*Owner of this Set of Geo Nicoll MacDonald Smith Rustless of 1928*

*The set came from the USA and it has been fully restored from myself in my workshop with great care.*

*It has been re-shafted with new Hickory wooden shaft produced in the USA by Mike Just at Louisville Golf.*

*The set of heads were in pristine conditions and presented very little use.*

*The shafts have received 30 layers of natural shellac using the old French Polish technic.*

*In the set there is as well two original handmade MacDonald Smith woods.*

*A brassie Nr. 22 and a Spoon Nr. 23 restored by John Gates (USA).*

*Repairing old clubs is an art gone missing. Bringing back to playing condition such a great set was a pleasure and see them out on the golf course it is a dream come true.*

*Playing the old game of golf with historical Hickory Clubs is a privilege and I do wish you great fun with them and a lot of good moments with your hickory friends.*

*Paolo Quirici*

*Club Fitter & Passionate hickory golfer*

*Hickory World Champion 2013, US Professional Champion 2013 and 2014*

*Golfvision Saggi, Contrada al Lago 15, 6933 Muzzano, Mb. Ph. +41 79 6220022*
